

Artist – Display your work in Commissioner Hall’s Fort Myers Office

We are currently scheduling artists to display their work in Commissioner Hall’s Fort Myers Office. There is room to display approximately 9 to 12 pieces medium to large size. Pieces should be ready to hang. There are some flat surfaces to display 3-D work as well. All mediums welcome. Artwork will be on display for 6 weeks and a press release will be sent to media outlets. This is a great opportunity to display your work to the community and get a little exposure in the media.

If you or someone you know is interested in displaying artwork, please respond with your contact information, date you may be available, and a website or photos of your work. Please feel free to pass along this email to other local artists. Thank you.
