

Calling all artists - Display your work in Commissioner Hall's office

Lee County Commissioner Tammy Hall is looking for local artists willing to show their work in our Fort Myers office during 2012. The space can hold 11-12 medium large pieces. All pieces should be ready to hang. There are some flat surfaces to display ceramic and 3D work. Artwork will be on display for 6 weeks.

I have listed some themes below. If you are interested in showcasing a theme below or if you have a suggestion for a pending month, please email me and include the dates your interested in and a link or example of your work. We welcome returning artists that have displayed in our office, but will give preference to first time displayers. Please forward this to your contacts. Thank you for your interested in this fun project.
