Located in the Downtown River District of Fort Myers, In One Instant specializes in the medium of photography. Exhibiting as well as representing local and regional photographers whose work spans a full range of styles and periods. The gallery also carries books, cameras, bags, jewelry and gifts that celebrate the photographic spirit of the 19th, 20th and 21st centuries.

Not only showcasing images produced in the analog traditions of film and paper, as well as today's digital mediums, the gallery also explores the history and evolution of photography and its role in society over the past 190 years. Through workshops in partnership with the **Alliance for the Arts**, talks with photographers and one-on-one classes the gallery provides continuing education to the public in all aspects of photography.
