Instructor: Ann McCarty Sickels
Beginning/Intermediate Painting (Oils or Acrylics)
Drawing 101

Ann McCarty Sickels was born in Sandusky, Ohio, and moved to south Florida in 1964. At only five years old, she won her very first award in art for an Easter coloring contest at Eckerd drug store. Little did she know this would be the start of her lifelong career as a successful artist.

She obtained an AA degree in art from Edison College in Fort Myers, Florida. Ann also studied under Nina Conner for five years where she learned portrait and advanced drawing and painting.

Ann has been teaching art since 1998 to both children and adults in oil, acrylic, watercolor, creativity and drawing. She currently teaches at the Cape Coral Art Studio, Pine Island Art Association, Visual Art Center in Punta Gorda and the Alliance for the Arts in Fort Myers. Ann has shown many works of art in local, state and national shows, including the Charlotte County Art Guild Biennale, 2D3D at the Alliance for the Arts in Fort Myers, Art League of Bonita Springs and the Von Liebig in Naples. She has obtained numerous awards for her creative paintings.

Ann resides in Cape Coral, Florida, with her two teenage boys. Her daughter lives in the Netherlands. She enjoys spending time at the beach, kayaking and taking photographs, all of which give inspiration to her works of art.
