Instructor: Dominick Bello

Wood Carving

Join Master Carver Dominick Bello as he shares the art of wood carving. This is a hands on course to learn the basics of power carving. Students will be given step by step instruction while carving a preselected sculpture in wood. Students will learn project design, proper tools including safety and maintenance, carving techniques, and finishing methods for natural and painted carvings. Each student must supply a rotary tool such as a

Dremel or equivalent. Dust collector and mask will be supplied by instructor.

His carvings have been on display at the Wildlife Art and Sculpture at the New York State Fair. In addition, Dom is the current President of the Caloosa Carvers of Fort Myers Florida and the Vice President for the committee for the Florida Winter Woodcarvers Exposition and Competition held each year at the Harbor side Event Center.
