## ***Instructor: Kathy More*** ***Adult Tap***

### **Motivate and instill the love of dance!**

In 1983 Kathleen More came to Fort Myers Florida from Detroit Michigan. Continuing her love of dance she joined a local dance studio. Her admirable reputation began to grow in a very short time. Kathleen taught dance for children at the Edison Community College (Summer Program), Sanibel Fitness Center, Big Arts and Dance Director at the YMCA teaching many dance styles. The dance organizations she has trained with and worked for has allowed her to keep pace with the ever expanding times and styles continuing her own growth as a dancer. Kathleen enters this new season with much excitement and anticipation- for the best is yet to come! Her goal is to inspire, motivate and instill the love of dance!
